For further clarification please contact our [Liaison office](#) in Dakar.

Modified June 2005

7. PROHIBITED IMPORTS

Goods that are prohibited for importation into Senegal are screened by the Liaison Office. For any eventual clarification the Liaison Office should be contacted. Actual list:

- Drugs and narcotics
- Weapons and war ammunition except collector's items
- Pornographic publications
- Hallucinogen products except those authorized by the Ministry of Health
- Importation of the used vehicles, used motorcycles and used cycles, hereafter, are prohibited:
 - Private vehicles of more than five (05) years of age;
 - Motor vehicles for the transport of goods not exceeding 3.5 tons of more than five (05) years;
 - Motor vehicles for the transport of goods exceeding 3,5 tons of more than 10 years;
 - Motorcycles and cycles of a cylinder capacity not exceeding 50 cc.
- In order to fight against a possible bird flu pandemic, the import of goods falling under the HS chapter code 02.07 are prohibited

8. RESTRICTED IMPORTS

The Liaison Office will monitor closely any goods necessitating a special permission or license for importation into Senegal. Restricted imports list is subject to change and is decided by the Ministry of Economy and Finance.

- Tomato paste: must not contain any additional products other than pure tomato (this restriction includes the addition of salt and/or other spices which is forbidden)
- Meat and poultry products: must be covered by a phytosanitary certificate including a Dioxin Free Certificate

9. DISCLAIMER

The information contained herein is for the purpose of facilitating preshipment inspection, does not relieve exporters or importers from their obligation in respect of compliance with the import regulations of the country of importation and is not intended to affect the contractual obligations of the parties to a transaction and consequently does not affect the rights of the buyer, for whom COTECNA is not acting, and does not relieve the seller of his contractual obligations. Although every effort has been made to ensure the correctness of the information, as at the date the issuance of this data sheet, COTECNA does not accept any responsibility for errors and omissions and, furthermore, the information may subsequently be subject to change as may be announced by the Authorities in the country of importation. Consequently, exporters are advised to check with COTECNA, prior to shipment of goods, if there is any doubt concerning the issuance of a Clean Report of Findings.

For further information, or clarification, please contact the COTECNA Affiliate in the country of inspection of the goods.
