Value Proposition

Cotecna is a leading provider of testing, inspection and certification services. We offer solutions that facilitate trade and make supply chains safer and more efficient for our clients.

In order to help you mitigate risks and strengthen your competitive advantages, we provide tailored services for the raw materials (ores & minerals) as well as for the steel and cement finished products.

Inspection Services

Our **bulk commodity trade** inspection services include:

- > Cargo and vessel services
- > Visual inspection
- > Warehousing and stock monitoring
- > Traditional and mechanical sampling
- > Commercial analysis
- > Product conformity assessment
- > Hold & hatch inspection
- > Draft survey, weighing supervision & quantity assessment

Our **production & plant** services include:

- > In-plant inspection of raw materials and finished products
- > On-site laboratories management and testing
- > Process consulting to minimise risk
- > Sorting and blending services
- > Commercial product assessment
- > Dispatch supervision & weighing

Sampling Services

- > Sample preparation
- > Sample collection & lot sub-sampling
- > Manual & mechanical sampling

Testing Services

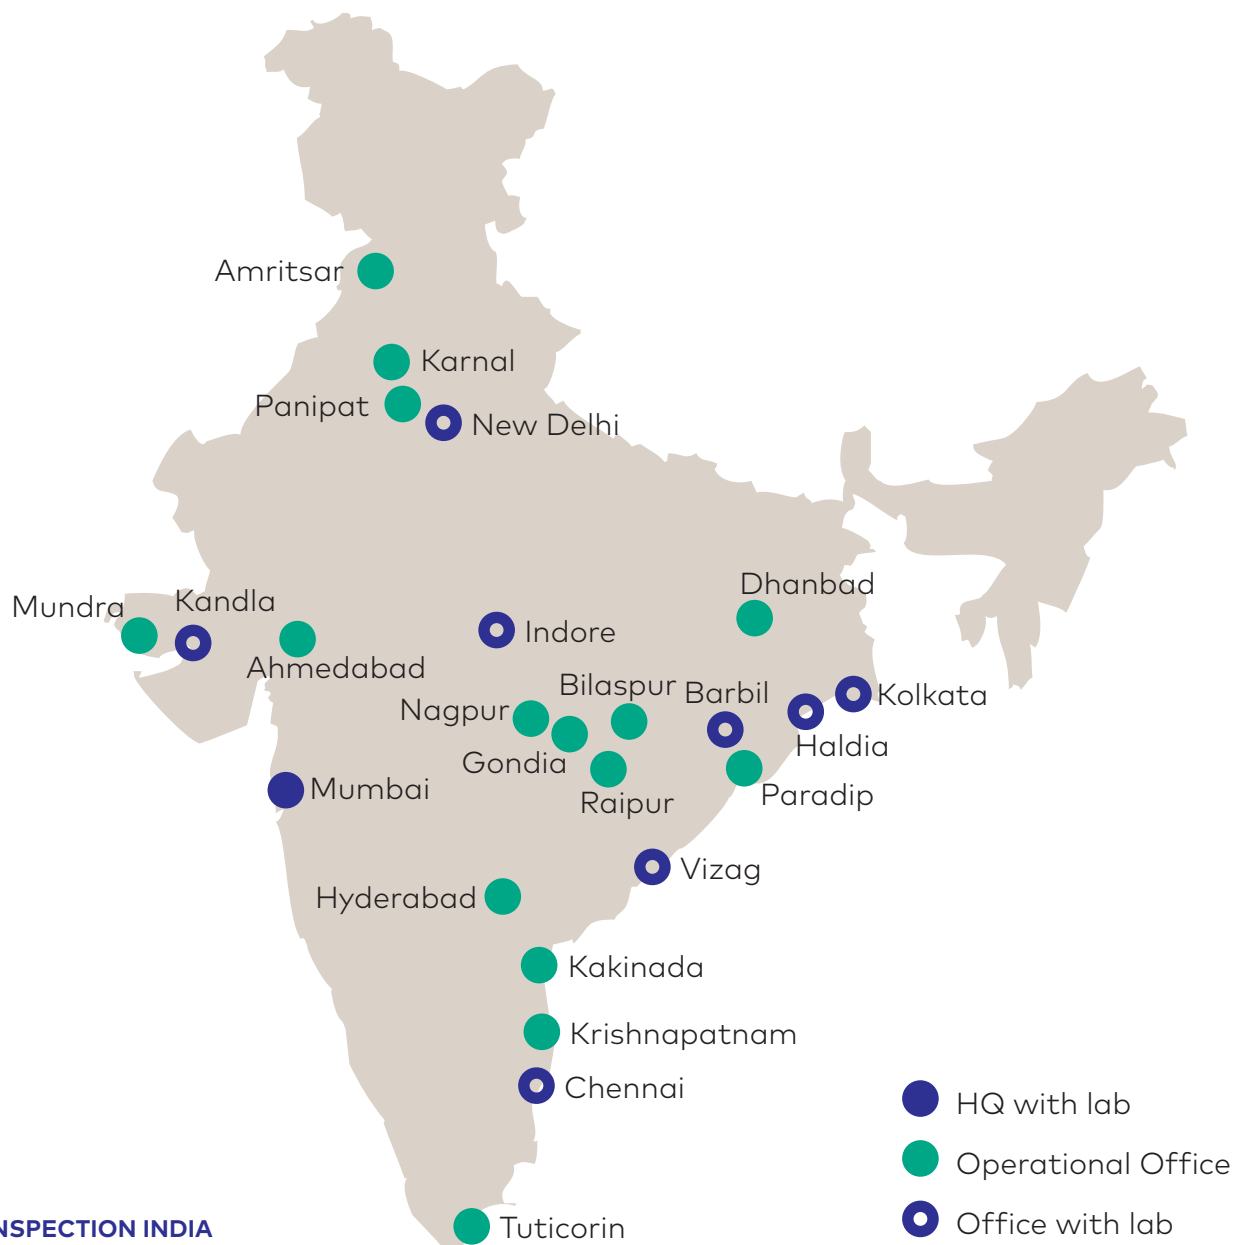

- > Analysis of raw material & finished products
- > Chemical analysis
- > Well-equipped and accredited laboratories
- > Settlement and umpire services
- > On-site analytical laboratories
- > Specialty analysis
